PROFESSIONAL SUMMARY

A skilled front-end developer skilled in HTML, CSS, and JavaScript, with React and Next.js mastered. Excellent in creating-react-app ,a responsive user interface and skilled in teamwork. Devoted to top-level solutions that achieve business objectives, ready to take your company's online display and interaction to new heights.

WORK EXPERIENCE

Front-end Developer, VoltWolf Ltd 08/2023 – 04/2024
Lagos, Nigeria

- I developed a sophisticated admin dashboard leveraging Next.js, React.js, Tailwind CSS, and Redux, significantly enhancing the company's administrative capabilities.
- I created comprehensive web-based finance management applications integrated with an advanced payroll system, streamlining financial operations and improving accuracy.
- During the organization's expansion, I played a crucial role in transforming Figma designs into functional, responsive code. My work includes building and maintaining a high-performance front-end website using Next.js, alongside various CSS libraries and frameworks, ensuring a seamless user experience.

Front-End Developer, Gradell technology limited (Contract) 02/2024 – 03/2024
lagos, Nigeria

- Converted Figma designs into functional code, crafting and upkeeping an outstanding user interface for the frontend website with Next.js, CSS libraries, and various frameworks
- Emphasized customer and partner satisfaction by providing exceptional user experiences
- Engaged in active collaboration with designers, backend developers, and product managers to develop highly interactive and visually captivating web interfaces.

Front-end Developer, SwiftVia (Contract) 06/2023 – 01/2024
lagos, Nigeria

- Worked closely with designers, backend developers, and product managers to craft engaging web interfaces with a strong emphasis on visual appeal
- Developed and managed a top-notch UI for a logistics startup's frontend website utilizing Next.js, CSS libraries, and various frameworks
- Emphasized customer and partner satisfaction by providing outstanding user experiences.

VOLUNTARY WORK
